Turn Out To-Night!

A telegraphic despatch from Somerville, received on Saturday afternoon, says that Gen. Coffroth is elected—his majority about 100.

We have, according to the *Age*, carried the State by about two thousand on the congressional vote, and by eight or nine thousand on the county vote. The legal majority for the Abolitionists on the other side will not equal the Democratic majority on the county vote.

It is not denied that McClellan is stronger by thousands in the army than our congressional candidates were; whilst on the home vote he is twenty or twenty-five thousand stronger. Our prospects are bright for the State, and as goes Pennsylvania so goes the Union.

A great blow is made by the Abolition papers about a number of "War Democrats" getting up a meeting in New York for Lincoln. Why, they have been for him these three years, and now hold office under him. That they should try to keep their flocks in the treasury four years longer is not strange.

Don't neglect the McClellan Mass Meetings advertised for Hampton, Littlestown, and others, will make speeches. All who desire a CHANGE are invited to be present.

"Holtzswam." The McClellan Club of Menallen will hold a meeting at "Holtzswam" School house on THURSDAY EVENING next. A full turn out of the Democracy of that region is expected.

BE ON THE ALERT, DEMOCRATS!

As the election for President will take place in one week from to-morrow, we caution our friends to be wide awake. Recall that the Abolitionists will resort to any means to gain the election, and we must be ready to meet them, at all times. WORK ALL TOGETHER, above all, and all will be well! Get all your voters out, and beware of fraud and deception!

CONSERVATIVES, RALLY!

Conservative men of all parties! You want to restore peace, concord and Union, in order that business pursuits may assume their accustomed channels, and that everything may go on again as smoothly and safely as ever. You know in your hearts that this never can be accomplished under radical rule. Abolitionism means nothing else than turmoil and strife, and the uprooting of all the foundations of government, society and business relations.

Men of reflection, you know these things to be facts. Then does not every instinct of patriotism, of Christian impulse, of care for yourselves, of regard for your neighbor, and love for your offspring, demand of you to discharge your duty like proper men, depositing your ballots for Geo. B. McClellan? Let your consciences answer with the gravity that final judgment will demand of you.

NOT TRUE.

We are informed that the Abolitionists are circulating a story in the army, to the effect that Gen. McClellan was opposed to giving soldiers the right to vote. This is a most absurd and wicked story.

We print two McClellan Electoral Tickets on our third page. These may be cut out and sent to the army, or used to make up tomorrow's ballot.

FULL VOTE OF ADAMS.

In accordance with law, the Return Judges of the several districts of the county met in the Court-house, in this place, on Friday last, to finish the counting of the votes cast at the October election, and give certificates to the successful candidates. The board was full—twenty one Judges present.

The returns of soldiers' votes (from upwards of thirty different points) were examined. Several of the returns, covering a little upwards of a hundred votes, were rejected on the ground of illegality. In some cases because voters of other counties were allowed to vote for Adams county; in others because the legal number of Judges were not chosen to hold elections; in others because the evidence of the ministering of the oaths to officers was lacking—in others because oaths were administered by improper persons—and so on. The law is very plain on these points, and the Return Judges were bound to act in accordance therewith.

The soldier vote admitted foots up as follows:

Congress—Coffroth 63, Knott 133; Assembly—Marshall 63, Myers 127; Committee—Krise 61, Day 120; Director—Graft 63, Newman 120; Auditors—Burke 62, Hull 62, Durbar 121; Speaker—Kepner 120.

On the whole vote, Coffroth's majority is 241, Marshall 239, Kepner 297, Graft's 345, Burke's 354, Hull's 361.

We will present all the figures in our next. Capt. Frederick Dahl was chosen Return Judge, to meet the Return Judges of the Congressional District at Chambersburg, on Friday next, the day fixed by law.

The certificates were all signed by four of the Judges—seven (Abolition) refusing to sign them.

GOOD NEWS.

From the different quarters of the State we have the most cheering news of the prospects of Gen. McClellan. Everywhere the Democratic & Conservative men are rallying to his support. From many counties we have the direct assurance that he will poll a much heavier vote in November than the local candidates did in October. In the strong Democratic counties a tight vote was polled because all knew their candidates would be elected at any rate. In the heavy Abolition counties the Democrats did not turn out, because there was no State ticket and their votes could do no service. But now every vote will count and every man who can will be at the polls. From everywhere we hear that the Democracy are awake to the importance of the contest, and everywhere are promised Democratic gains.

Democrats of Adams, shall we not gain? Let every election district in the country respond. Let there be an increased Democratic vote in every one. Let us all strive to do the best, and the result will show most gratifying wonders.

MEANNESS!

On Saturday, one of our subscribers in the country brought to our office a long Abolition document, entitled the "Union League Gazette," which he informed us, reached him by being folded inside of his copy of the last *Citizen*, which a neighbor brought from a village post office for him. The rascal who placed it there no doubt calculated that the subscriber would take it for granted he had sent it to him, and it would influence him accordingly. In this, of course, his purpose failed. Any man or any party guilty of such meanness is unworthy of anybody's regard, and deserves to be scouted and scorned by every decent man. We shall inquire further into the matter, and if others of our subscribers have been served this despicable trick, we hope they will at once report it to us.

One of the York Democratic papers complained of the same kind of an act a few weeks ago.

THE CONSERVATIVE REPUBLICANS.

We know that in the Republican party there are thousands of honest, well-meaning, patriotic men, who have been hood-winked and deceived by the wily leaders of that organization. They are anxious to strike a blow for the Union under the Constitution of our fathers, but prejudice and long association prove almost too strong for them. They cannot bring themselves to act with their ancient opponent, the Democratic party.

The returns of soldiers' votes (from upwards of thirty different points) were examined. Several of the returns, covering a little upwards of a hundred votes, were rejected on the ground of illegality. In some cases because voters of other counties were allowed to vote for Adams county; in others because the legal number of Judges were not chosen to hold elections; in others because the evidence of the ministering of the oaths to officers was lacking—in others because oaths were administered by improper persons—and so on. The law is very plain on these points, and the Return Judges were bound to act in accordance therewith.

MASS MEETING
AT HAMPTON!

LOVERS OF YOUR COUNTRY, TO THE
RESCUE!

THE friends of McClellan & Pendleton will hold a Mass Meeting at Hampton, Adams county, ONTUESDAY (To-morrow) EVENING, NOV. 1.

Several Speakers will be present to address the meeting.

Reading and all the surrounding townships are expected to rally in their strength. Turn out with your women, and your sons, with your flag, banners, and music. Give voice of your desire for a CHANCE in the National Administration—for Pen & McClellan for Lower Taxe and the removal of all the burdens brought upon the People by the success of the Abolitionists in 1860. Hail to ONE FLAG and ONE COUNTRY!

Oct. 31, 1864.

GREAT BORDER

MASS MEETING
OF THE FRIENDS OF

MCLELLAN AND PENDLETON!

The Friends of McClellan and Pendleton will hold a Grand Mass Meeting

AT LITTLESTOWN,

Adams County, Pa.,

ON WEDNESDAY NEXT, NOV. 1.

Among the eminent Speakers invited are the

Rev. Jeremiah S. Black, Hon. Rev. Dr. Johnson, Hon. H. H. Cleary, Col. Wm. P. Moore, Hon. J. McDowell, Dr. Sharpe, John W. Hiltner, Dr. John B. Braham, Esq., John Bright, Esq., John N. Oliver, Esq., W. A. Duncan, Esq., and Wm. N. Heyden, Esq.

PEOPLE OF THE BORDER, come and concur together for the good of your country. It is in peril, ditching towards ruin. The conservative policy announced by Gen. McClellan will restore the Union, and bring back the happy days of peace and prosperity. Rally thousands, and give expression to your desire for such an end—to your desire for a CHANGE in the National Administration.

An immense gathering of people is confidently looked for. Large delegations are promised from many points, as well as a number of the "biggest towns" ever seen in this region.

SEVERAL BANDS OF MUSIC will grace the occasion.

Let the bands come from all quarters, and join in the grand appeal for Free Press, Free Speech, Free Fire, for Honest Economy, the Union, the Constitution, and the Law!

W. M. SMITH,

J. L. SHORE,

W. M. KELLY,

J. E. YANTZ,

Hilltown.

THE FRANKLIN TOWNSHIP Democratic will meet at Hilltown School house THIS (MONDAY) EVENING. W. A. Duncan, Esq., and others will make speeches. All who desire a CHANGE are invited to be present.

"Holtzswam."

The McClellan Club of Menallen will hold a meeting at "Holtzswam" School house on THURSDAY EVENING next. A full turn out of the Democracy of that region is expected.

BE ON THE ALERT, DEMOCRATS!

As the election for President will take place in one week from to-morrow, we caution our friends to be wide awake! Reselect that the Abolitionists will resort to any means to gain the election, and we must be ready to meet them at all times. WORK ALL TOGETHER, as before, and all will be well! Get all your voters out, and beware of fraud and deception!

CONSERVATIVES, RALLY!

Conservative men of all parties! You want to restore peace, concord and Union, in order that business pursuits may assume their accustomed channels, and that every thing may go on again as smoothly and safely as ever. You know in your hearts that this never can be accomplished under radical rule. Abolitionists means nothing else than turmoil and strife, and the uprooting of all the foundations of government, society and business relations.

Men of reflection, you know these things to be facts. Then does not every instinct of patriotism, of regard for your neighbor, and love for your offspring, demand of you to discharge your duty like proper men by casting your ballots for Geo. B. McClellan. Let your consciences answer with the sincerity that final judgment will demand of you.

NOT TRUE.

We are informed that the Abolitionists are circulating a story in the army, to the effect that Gen. McClellan was opposed to granting soldiers the right to vote. This is not true. McClellan was invented purely to make room for Lincoln.
